Puppy Proof the House

Look for sharp edges, things the puppy could chew, destroy, swallow, eat or choke on. Make sure electrical cords are secure. Secure heavy objects like bookshelves, TV's, etc. Puppies have been killed by heavy objects falling on them.

Secure Your Trash

Make sure your puppy won't be able to get into the garbage. You can get help by reading this article, [How to Keep the Dog Out of the Garbage – Tips to Prevent the Mess and the Danger!](#)

Educate Yourself About Food

Find out how to properly feed your puppy by reading this article, [The Best Way to Feed a Puppy – Proper Puppy Nutrition.](#)

Find out which foods are poisonous for dogs by reading this article, [Foods That Are Poisonous for Dogs and Cats.](#)

Buy Supplies

You'll need food and water bowls, a pet bed, blanket...you can save on Pet Supplies by shopping on [Amazon.](#)
